Article 4

Due date for fees

(1) Fees in respect of which the due date is not specified in the provisions of the Convention or of the PCT or of the Implementing Regulations thereto shall be due on the date of receipt of the request for the service incurring the fee concerned.

(2) The President of the Office may decide not to make services within the meaning of paragraph 1 dependent upon the advance payment of the corresponding fee.

Article 5

Payment of fees

(1) The fees due to the Office shall be paid in euro:

- (a) by payment or transfer to a bank account held by the Office;
- (b) by payment or transfer to a Giro account held by the Office; or
- (c) by delivery or remittance of cheques made payable to the Office.

(2) The President of the Office may allow other methods of paying fees than those set out in paragraph 1.

Article 6

Particulars concerning payments

(1) Every payment must indicate the name of the person making the payment and must contain the necessary particulars to enable the Office to establish immediately the purpose of the payment.

(2) If the purpose of the payment cannot immediately be established, the Office shall require the person making the payment to notify it in writing of this purpose within such period as it may specify. If he does not comply with this request in due time the payment shall be considered not to have been made.

Article 7

Date to be considered as the date on which payment is made

(1) The date on which any payment shall be considered to have been made to the Office shall be as follows:

- (a) in the cases referred to in Article 5, paragraph 1(a) and (b): the date on which the amount of the payment or of the transfer is actually entered in a bank account or a Giro account held by the Office;
- (b) in the case referred to in Article 5, paragraph 1(c): the date of receipt of the cheque at the Office, provided that the cheque is met.

(2) Where the President of the Office allows, in accordance with the provisions of Article 5, paragraph 2, other methods of paying fees than those set out in Article 5, paragraph 1, he shall also lay down the date on which such payments shall be considered to have been made.

(3) Where, under the provisions of paragraphs 1 and 2, payment of a fee is not considered to have been made until after the expiry of the period in which it should have been made, it shall be considered that this period has been observed if evidence is provided to the Office that the person who made the payment

- (a) fulfilled one of the following conditions in a Contracting State within the period within which the payment should have been made:
 - (i) he effected the payment through a banking establishment or a post office;
 - (ii) he duly gave an order to a banking establishment or a post office to transfer the amount of the payment;
 - (iii) he despatched at a post office a letter bearing the address of the Office and containing a cheque within the meaning of Article 5, paragraph 1(c), provided that the cheque is met; and
- (b) paid a surcharge of 10 % on the relevant fee or fees, but not exceeding EUR 150; no surcharge is payable if a condition according to sub-paragraph (a) has been fulfilled not later than ten days before the expiry of the period for payment.

(4) The Office may request the person who made the payment to produce evidence as to the date on which a condition according to paragraph 3(a) was fulfilled and, where required, pay the surcharge referred to in paragraph 3(b), within a period to be specified by it. If he fails to comply with this request or if the evidence is insufficient, or if the required surcharge is not paid in due time, the period for payment shall be considered not to have been observed.

Article 8

Insufficiency of the amount paid

(1) A time limit for payment shall in principle be deemed to have been observed only if the full amount of the fee has been paid in due time. If the fee is not paid in full, the amount which has been paid shall be refunded after the period for payment has expired. The Office may, however, in so far as this is possible within the time remaining before the end of the period, give the person making the payment the opportunity to pay the amount lacking. It may also, where this is considered justified, overlook any small amounts lacking without prejudice to the rights of the person making the payment.

(2) Where the amount paid in designation fees is insufficient to cover the designation fees payable for all the Contracting States, the amount paid shall be applied according to the specifications to be made by the applicant by the time of payment at the latest. If the applicant makes no such specifications, the fees shall be deemed to be paid only for as many designations as are covered by the amount paid and in the order in which the Contracting States are listed in the request for grant.

Article 9

Refund of search fees

(1) The search fee paid for a European or supplementary European search shall be fully refunded if the European patent application is withdrawn or refused or deemed to be withdrawn at a time when the Office has not yet begun to draw up the search report.

(2) Where the European search report is based on an earlier search report prepared by the Office on an application whose priority is claimed or an earlier application within the meaning of Article 76 of the Convention or of Rule 17 of the Convention, the Office shall refund to the applicant, in accordance with a decision of its President, an amount which shall depend on the type of earlier search and the extent to which the Office benefits from the earlier search report when carrying out the subsequent search.

Article 10

Refund of the fee for a technical opinion

An amount of 75 % of the fee for a technical opinion under Article 25 of the Convention shall be refunded if the request for a technical opinion is withdrawn at a time when the Office has not yet begun to draw up the technical opinion.

Article 11

Refund of examination fee

The examination fee provided for in Article 94, paragraph 1, of the Convention shall be refunded:

- (a) in full if the European patent application is withdrawn, refused or deemed to be withdrawn before the Examining Divisions have assumed responsibility;
- (b) at a rate of 75 % if the European patent application is withdrawn, refused or deemed to be withdrawn after

the Examining Divisions have assumed responsibility but before substantive examination has begun.

Article 12

Refund of insignificant amounts

Where too large a sum is paid to cover a fee, the excess shall not be refunded if the amount is insignificant and the party concerned has not expressly requested a refund. The President of the Office shall determine what constitutes an insignificant amount.

Article 13

Decisions fixing costs
which are subject to appeal

In accordance with Rule 97, paragraph 2, of the Convention, decisions fixing the amount of costs of opposition proceedings may be appealed if the amount is in excess of the fee for appeal.

Article 14

Reduction of fees

(1) The reduction laid down in Rule 6, paragraph 3, of the Convention shall be 20 % of the filing fee, examination fee, opposition fee, appeal fee, fee for the petition for review or the limitation or revocation fee.

(2) Where the European Patent Office has drawn up an international preliminary examination report, the examination fee shall be reduced by 50 %. If the report was established on certain parts of the international application in accordance with Article 34, paragraph 3(c), PCT, the fee shall not be reduced if subject-matter not covered by the report is to be examined.
